

Dear New Skater,

We are excited to welcome you to the Greater Pensacola Figure Skating Club! Our Learn-to-Skate program is tailored to skaters like you who have limited to no experience on the ice. The best part of the program is that everything that you need is included so all you need to do is complete the forms and send them in along with your payment. Then you just show up for your first lesson and you're ready to go!

The basic membership is required for all new skaters. It includes mandatory fees that the Ice Skating Institute requires for you to be on ice with our club.

The Learn-to-Skate package is a set of 4 twenty minute group lessons and continuing 40 minutes of ice time after each lesson to practice your newly acquired skills. Your skate rentals are also included with each session.

Group lessons usually start at 4pm and skaters can stay on the ice until 5pm. If we fill up at that time slot, we will try to schedule another set of group lessons starting at 5pm and allow skaters to practice until 6pm.

We will schedule dates for Learn-to-Skate once we get dates from the Pensacola Bay Center. We typically skate on Tuesdays and Thursdays with Wednesdays then Mondays as our back up days in case of scheduling conflicts or cancellations by the Pensacola Bay Center. We receive our dates two weeks prior to the following month and that's when we will notify you when we skate.

Please complete your registration forms along with a check or money order in the amount due payable to the Greater Pensacola Figure Skating Club. We encourage you to pre-register and mail your documents to us at:

Melissa Hagy, President
Greater Pensacola Figure Skating Club
175 Camelia St.
Gulf Breeze, FL 32561

Once we receive your forms, we will email you confirming the times and dates of your sessions along with other pertinent information.

We will also be having a registration meet and greet at the Bay Center in early October. In the meantime, please don't hesitate to contact us if you have any questions or concerns. We look forward to seeing you soon on the ice!

Sincerely,
